PARADE NOTES:

ALL parade participants, vehicles and marchers, MUST enter Thomas Stewart Way and follow the direction of fire personnel. Vehicles dropping off marchers should proceed to a right on Carpenter Lane to the drop-off location at Carpenter and Willever Way. Then please depart the area. No drop-offs will be allowed on North Main Street and entry at Willever Way is not permitted. Tractors not pulling wagons will ultimately stage on Rachel Court.

Please refer to the map.

The parade will travel from Willever Way south on N. Main Street to a right on Greenwich Street. It will then proceed to Thomas Stewart Park for the memorial service and award presentations. The park is 0.8 mile up the hill toward Rt. 22. At that location, vehicles may have space to park, although parking autos at Greenwich Township Elementary School and walking the path to the park may be a better option.
